

16.5 % EFFICIENCY

UP TO 275 W

60 CELLS

Exceeds the IEC standard 3 times over
Because standards are there to be surpassed.

Low series resistance
Because we want best yields for you.

Protection against leak current
Because a 20 % yield loss is avoidable.

15 year product warranty
25 year linear performance guarantee.

Designed for fire safety
Because plant fires mean more than financial losses alone.

100 % electroluminescence test
Because we only deliver premium solar modules.
